AI-FIRST THINKING. HUMAN EXPERTISE. GLOBAL IMPACT.

Your technology partner from idea to market-ready product.

01People helps healthcare innovators, startups and innovation ecosystems turn ambitious ideas into scalable digital products. We don't just deliver software — we help founders build successful technology products.

15 years	HealthTech + FinTech	Regulated industries	EU-based
OF TECHNOLOGY INNOVATION	PROVEN DOMAIN EXPERIENCE	HEALTH, PAYMENTS, DATA	EUROPE · MIDDLE EAST · ASIA

WHAT WE SET UP FOR YOU

01 AI readiness
AI integration and intelligent automation, prepared safely around your data.

02 FinTech & payments
Payment gateways, payouts, invoicing and transaction reporting.

03 EU environment
EU cloud, dev / staging / production and EU data residency.

04 Security & data protection
Access control, audit trails, GDPR-ready handling of health data.

05 Organisation & flow
Tools, workflows and API integrations connected into one system.

06 MVP to scale
Strategy, feasibility, MVP and architecture ready for production.

THE PEOPLE YOU WORK WITH

Roman Kučera
FOUNDER & CEO

International payments, transaction systems and decentralized fintech. As CBO at Hilbi he builds patient-first healthcare infrastructure and leads growth and partnerships.

PROVEN EXPERIENCE

FLAGSHIP REFERENCE

Hilbi Health — digital healthcare ecosystem

Patient-first healthcare platform: patients book, consult online and pay; providers manage services, transactions and reporting — across Europe and India.

Healthcare platform · Payments & transactions · Sensitive health data · AI workflows

OneGram	International FinTech & blockchain
Wexo	Digital financial ecosystem
PKF Slovakia	Enterprise software solutions
Vosem Capital	Investment management technology
ElitPro	E-commerce technology

WHY 01PEOPLE

More than a software vendor
A long-term technology partner at every stage of growth.

Engineering meets business
Product and commercial thinking, not just code.

Built for regulated industries
Health, payments and sensitive data are our daily work.

From MVP to global scale
Built for innovation. Designed to scale.

Start with one call — we tell you what to build and set up first.
